## Report Payroll Online

All employers enjoy the convenience of reporting payroll online. Online access means greater flexibility with services available 24 hours a day, 7 days a week.

The flexibility continues when in the following year you report your actual payroll. The WCB compares the estimated payroll you reported as of July 1, and if this amount is within **25 per cent** of your actual payroll, you pay no interest.

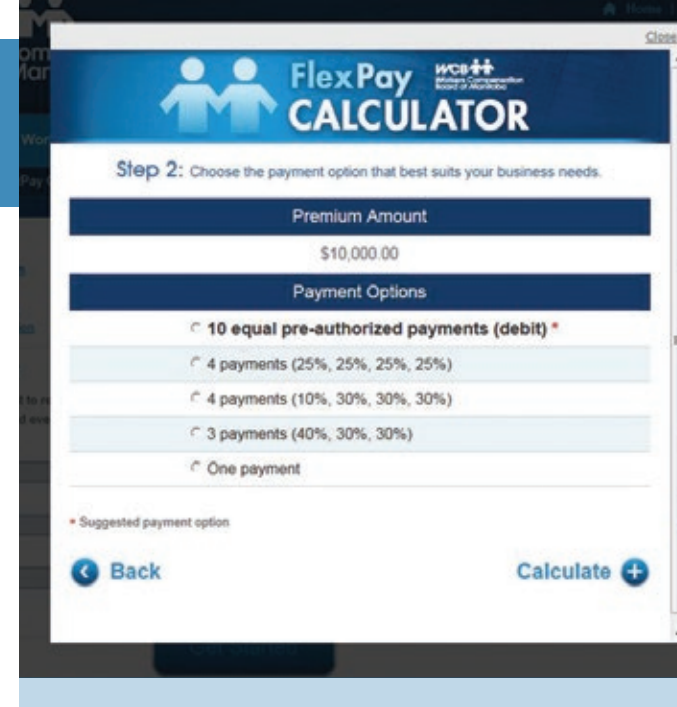

When it comes time to pay your WCB premium, you enjoy several options for when and how you make your payment.

### Yearly Premium Greater than \$5,000 Payment Options

- 10 equal pre-authorized payments (March to Dec.)
- Four payments, including pre-authorized (March, June, Sept, and Dec. - for accounts with worker coverage), (Jan, March, June, and Sept. - for personal coverage only):
